

[Your Program Name Here] Abstinence Education Survey

We're glad you're participating in this program! By completing this survey you will help us understand the opinions of youth, and how the program is working. Now keep in mind the following:

1. *Your answers are confidential.* They will **NOT** be connected to you or your name. Your answers will be sent to a research company and combined with those from other youth. We ask for your student ID only so we can link surveys taken at the beginning and end of the program.
2. *Your participation is voluntary.* If there are any questions you don't feel comfortable answering leave them blank.
3. *Don't look at others' questionnaires or talk to them during the survey.* But if you have a question you're welcome to ask the person who is administering the survey.
4. *Fill in the circles as completely as possible.* You can use either a pencil or a black pen.
